

SPRINT 1

1) IBM CLOUD ACCOUNT

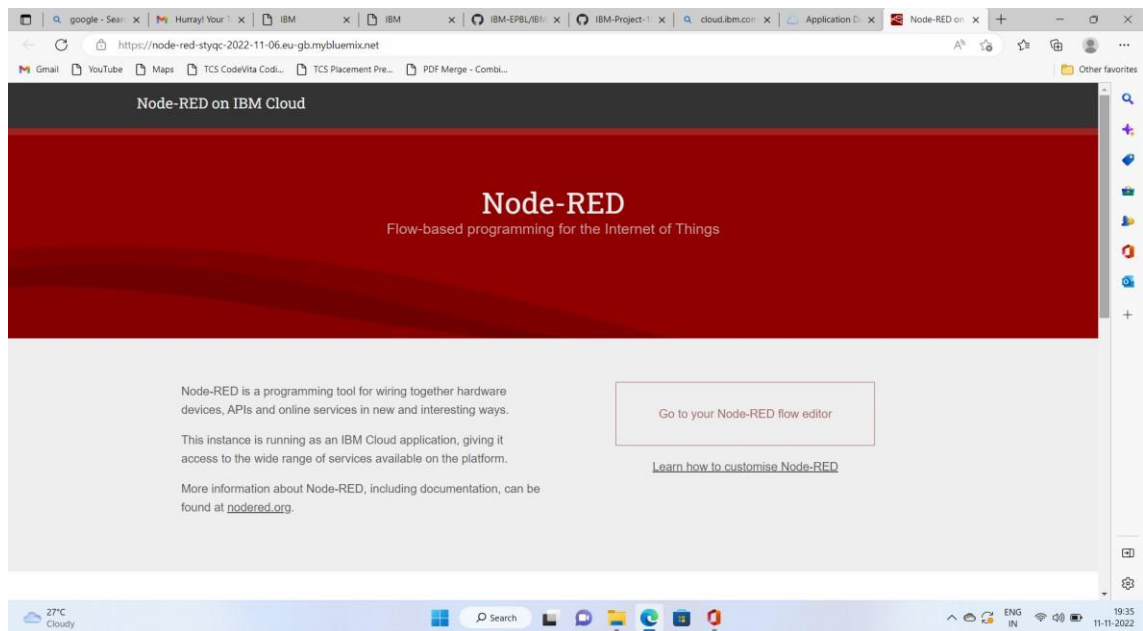

2) IBM WATSON PLATFORM

3) NODE-RED

Node-RED interface showing a flow named "Flow 1" with two nodes: "IBM IoT" (connected) and "msg payload". The interface includes a sidebar with node categories (common, function) and a debug console on the right. The browser address bar shows the URL: <https://node-red-bahca-2022-11-06.eu-gb.mybluemix.net/red/#flow/59b074facad64795>. The status bar at the bottom indicates 27°C, Raining now, and the date 12-11-2022.

```
graph LR; IoT[IBM IoT] --> Payload[msg payload];
```
